Dr. I. E. Wallen  
Aquatic Biologist  
Environmental Sciences Branch  
Division of Biology and Medicine  
U. S. Atomic Energy Commission  
Washington 25, D. C.

Dear Gene:

In a telephone conversation on 14 October, Al Seymour requested that a brief summary of the activities of the University of Washington at Rongelap Atoll be sent to you for possible use in the Division of Biology and Medicine Quarterly Reports. He stated that you would pass it on to the appropriate person.

We hope the enclosed summary is satisfactory.

Sincerely,

Edward E. Held  
Research Associate Professor
